Anna Benner (1983, Germany) studied animation and film aesthetics in the UK. She makes short films and commercials. Pia Borg, an artist and filmmaker, lives and works in London where she studied animation. Gemma Burditt works in animation and illustration for short films, commercials and video clips.

Sinossi/Synopsis

Ispirata al libro *Henry's Demons*, scritto da Henry e Patrick Clockburn, la videoanimazione *Through the Hawthorn* (trad. it. *Attraverso il biancospino*) presenta una complessa seduta psichiatrica i cui protagonisti sono il giovane schizofrenico Sam, sua madre e il dottore.

Inspired by the book Henry's Demons, by Henry and Patrick Clockburn, the video animation Through the Hawthorn presents a complex psychiatric session, the main characters of which are the young schizophrenic Sam, his mother and the doctor.
